GIVE IT UP TO GOD!

How often do we hold grudges against others? Long after an event or situation we are still fussing over what someone said or did. What is the use? What good does it do?

The other day I ran across this story which illustrates the problem.

Two monks on a pilgrimage came to the ford of a river. There they saw a girl dressed in all her finery, obviously not knowing what to do since the river was high and she did not want to spoil her clothes. Without more ado, one of the monks took her on his back, carried her across and put her down on dry ground on the other side.

Then the monks continued on their way. But the other monk after an hour started complaining, "Surely it is not right to touch a woman; it is against the commandments to have close contact with women. How could you go against the rules of monks?"

The monk who had carried the girl walked along silently, but finally he remarked, "I set her down by the river an hour ago, why are you still carrying her?"

How long are you carrying your issue? **Give it up to God!**

See you Sunday,

Sarah

Need Volunteers in Nursery!!!

What a joy it is to have children in our Sunday School and Worship Service Nursery on Sundays!!! The Nurture Committee (the whole church) has prayed that this would be a reality and GOD is good! We want this to be a wonderful experience for your child and welcome any ideas from you.

Unfortunately, we cannot offer nursery on Sundays that we do not have 2 adults in the nursery. We are currently looking for volunteers and hope to get a schedule out to you so you can plan what's best for your family.

Thank you again for bring your child to Sunday School and/or Nursery. We want to do our best to help you in your lifelong mission to share God and His Love with your child.

CLEANING KITS

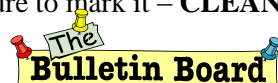

The Uwharrie District has sent out a call for Cleaning Kits (formerly called Flood Buckets). The goal is to collect 500 Cleaning Kits – one for each Sunday School class in the Uwharrie District!

. Our item is: • One 16-40 oz. bottle liquid concentrate household cleaner (no spray cleaners)

Instead of asking you to bring the cleaner, I'm asking for donation of funds and I (or anyone else that is willing) will go purchase the 50 bottles so all will be the same. Also each church will donate \$15 towards the amount needed to go with each bucket.

The funds are needed by October 14th and then on Saturday, October 20th from 9:30 am-11 am, at Marshville UMC, we (clergy and lay people) will gather and assemble the kits.

There will be a basket to collect the funds in the Narthex for the next three Sundays. You can also put it in the offering plate, or bring it to the church office. Just be sure to mark it – **CLEANING KITS**

On-going recycling projects for various groups continue: UMW Box tops for Education in the education hall and aluminum inside the lattice fence at the air conditioner in the back of the church.

The **Flower Calendar for 2018** is posted on the bulletin board in the education hall, across from the pastor's study. Please sign up for any open Sundays as soon as possible in order to secure the date you wish.

Upcoming Events...

October 14 – Crop Walk

October 15 – Bible Study

October 20 – Assemble Cleaning Kits @ Marshville UMC

The deadline for information for the weekly newsletter is Tuesday before noon each week.

Remember that you may make gifts to the church special funds to honor the living as well as those who have gone on. It is a great way to let friends and relatives know that you are thinking of them.
